

Working tables

for book scanners
and book copiers

Functional and reliable

ZEUSCHEL
The Future of the Past.

The optimized tables for your Zeutschel scanner

Zeutschel scanners and microfilm cameras are high-tech equipment for perfect digitization of bound and large-format originals. We recommend the use of original Zeutschel tables to ensure a more ergonomic and safer working environment for our scanners. These tables are easy to assemble, provide sufficient workspace and the height can be adjusted to suit individual requirements, in some instances, electrically.

Table zeta (with worktop extension)

- height-adjustable (850 – 1050 mm)
- easy to assemble
- with extra worktop for use as additional workspace on left and right
- You can add up to 2 worktops on top of each other per side.
- table dimensions (w x d x h): 894 x 720 x 850 to 1050 mm
- extra worktop (w x d): 354 x 720 mm
